It is the policy of MARYLAND SPINE AND SPORTS MEDICINE to protect the privacy of our patients to the fullest extent. In order for us to do this, we will also need the co-operation of you, our patient. The following are required to be compliant with the Health Insurance Portability and Accountability Act (HIPAA).

1. All patient health information (PHI) is kept within the confines of this office.
2. No records will be displayed where they are in a position to be read by any parties unrelated to their testing or treatment.
3. No records will be relayed via mail or fax unless written permission is given by the patient or guardian, or it is a matter of continued medical care. No patient records will be given to any other parties, such as attorneys or employers, without written permission from the patient or guardian.
4. We only use the most up-to-date methods for our Electronic Claims Transmission, and these relay facilities have taken every step to also be in compliance with the HIPAA regulations and have given us written notice of such actions.
5. Our staff has received instructions, both verbal and written, regarding maintaining the confidentiality of the patient and the inappropriateness of discussing personal or medical patient information outside the confines of this office.
6. Our office is prohibited from selling your PHI.
7. Your PHI will not be used for fundraising
8. You have the right to restrict disclosure of any records for visits paid for out of pocket.
9. You have the right to limit the use of genetic information for underwriting.
10. It is our duty and intent to notify you immediately should there be a breach in the privacy of your PHI.

It is our intent for these measures to protect our patients' medical information. We thank you for your attention and co-operation in this matter.
